left drawer glide

right drawer glide

A) Attach drawer assembly to assembled unit:

Fit drawer glides of drawer assembly into corresponding drawer glides of unit. Push drawer all the way into the assembled unit. Test the drawer be opening and closing a couple of times to ensure it is attached. Assembly is now complete.

B) To remove drawer assembly from assembled unit:

Fully extend drawer assembly from unit. Locate plastic tabs on left and right drawer glides. With even pressure, simultaneously lift the left tab and push down the right tab and pull the drawer from the assembled unit.
